

AB 617 COMMUNITY HEALTH PROTECTION PROGRAM PUBLIC WORKSHOPS

AB 617 Overview

The Air District's Community Health Protection Program is working with Bay Area communities to implement Assembly Bill 617. This collaborative initiative between the Air District, Air Resources Board and communities will employ proven and innovative strategies to reduce exposure to air pollution in the region's most impacted neighborhoods.

Purpose of the Workshop

Learn about new grant funds to reduce emissions from mobile sources of pollution in the communities most impacted.

Hear the latest about AB 617 and help us identify priority communities.

Ask questions, provide input and get involved in the process. Expertise and insights about your community are important.
