

## Materials and Resources for the Richmond-San Pablo June 19 Steering Committee Meeting

Below is a summary of materials and resources for the steering committee to consider as it prepares to make decisions for initial monitoring efforts in the Richmond-San Pablo community in advance of the July 1 AB 617 legislative deadline. Please read through these materials *before* the June 19 meeting. Most of the materials and resources can be downloaded directly from the [Air District website](#) under the Meetings and Events section, while some resources are provided via weblinks.

Materials and Resources	Description
<b>Agenda</b>	Agenda for the June 19, 2019 steering committee meeting
