Richmond – San Pablo Community Air Monitoring Plan
Steering Committee Meeting #15

July 2020

Participating in Online Meetings Using Zoom

Key Functions

- Toolbar
- Mute/Unmute
- Start/Stop Video
- Chat
- Raise Hand

Virtual Participation Principles

- **One** person speaks at a time and for **under a minute**
- Technology happens – please be **flexible and patient**.
- Be **respectful** of one another's opinions.
- Please **mute** yourself when you're not speaking.
- **Share video** so we can stay visually connected.
- Use the **chat** feature to ensure we get your input in your exact words.
- Remember this is just one meeting in a longer **process**.

Welcome and Roll Call

COMMUNITY **PATH TO**
CLEAN AIR

Community Air Monitoring Plan

- The Monitoring Plan was made available on July 13!
- The new version builds off the first draft that was released in December

**AB 617 Richmond-San Pablo
Community Air Monitoring Plan**

What's in the Monitoring Plan?

- Overview of AB 617 and why Richmond-San Pablo was selected
- Summary of work completed by the Steering Committee:
 - Identification and prioritization of air quality concerns and data needs
 - Selection of initial and additional monitoring projects
- Technical information on each of the monitoring projects (found in appendices at the end of the plan)

Community Air Monitoring Plan

- CARB reviewed the Air District-led portion of the Plan for consistency with the AB 617 Blueprint
- CARB will similarly review information for the initial monitoring projects

**AB 617 Richmond-San Pablo
Community Air Monitoring Plan**

Community Air Monitoring Plan

- Send additional comments or questions on the Plan to Dan Alrick (dalrick@baaqmd.gov) by August 12
- Final version of the Plan will follow later

Recap from June SC Meeting

- The Steering Committee considered proposal for a new team to help with communicating updates on monitoring projects after the Steering Committee stops meeting
- Discussions highlighted a need for more clarity on the roles, criteria, and commitment for this proposed team

Monitoring Outreach Team

- To better reflect the team's purpose, the team is renamed the Monitoring Outreach Team
- This team is focused on communication and outreach, and will:
 - Work with the Air District in reviewing and revising updates on monitoring projects
 - As needed or desired, present updates at public meetings

Monitoring Outreach Team

- This team is **not** a decision-making body for redirecting or starting new monitoring efforts
- This team is **not** doing work of the CERP Steering Committee, like selecting or prioritizing emissions reduction strategies
 - The monitoring project updates, reports, and datasets will be provided to the CERP SC to inform the CERP SC's decisions

Monitoring Outreach Team

Membership and Process

- Team will include up to five members of the Monitoring Plan Steering Committee who **represent community**
- Co-Lead Team recommends that the Monitoring Outreach Team be representative of Richmond-San Pablo diversity and geography

Monitoring Outreach Team

Membership and Process

- The Steering Committee received a survey on July 13 to indicate interest in joining the Monitoring Outreach Team
- Five members who represent community on the Steering Committee expressed interest in joining:
 - Dr. Henry Clark
 - Oscar Garcia
 - Matt Holmes
 - Julia Walsh
 - Linda Whitmore
