# Recommended Candidate: Stephanie Wright

Stephanie has lived in the Bay Area since the mid-1970s and in Contra Costa County since 2015. Her community and volunteer work has been in the areas of nature education, and reproductive health, both of which are influenced by environmental quality and access to health work and home spaces.

Several things have brought air quality to the forefront for Stephanie including: (a) living less than 50 yard from idling diesel locomotives (b) working as a field supervisor for enumerators during summer 2020 when we were contending with a heat-wave and very serious wildfire smoke.

# Recommended Candidate: Franklin Ungo

Frank has been a resident of San Pablo for 32 years. He graduated from Richmond High school in 1998.

Frank currently works as a Welding Inspector at the Richmond refinery and is also an elected representative for the USW Local 5 Workers Committee.
