Discussion on Assembly Bill (AB) 617 Program and Community Nomination Process

Community Equity, Health and Justice Committee Meeting
June 3, 2021

Greg Nudd
Deputy Air Pollution Control Officer
gnudd@baaqmd.gov

Outcome

Committee and community learns about AB 617 program for coming fiscal year, including upcoming community engagement and nomination.

Requested Action

- None; informational only.

Renaming of AB 617 Program

Program Overview

Program Budget

Community Engagement & Nomination

Renaming of “AB 617” Program

- Current name is a bureaucratic, short-hand reference to original assembly bill number.
- Name should reflect core intent and values of program.
- Name should speak to environmental justice, improving local air pollution inequities and lifting community power.

Program Overview

- Responds to history of environmental injustice in primarily low-income, communities of color.
- To address relatively higher levels of air pollution in some historically disadvantaged communities.
- Directly address local toxics and criteria pollutants in the most impacted communities.
- Initial communities serve as statewide models.

AB 617 Communities Statewide

A Community Centered Program

A Community Centered Program (cont.)

Build Shared Capacity

Build community knowledge about air quality, best practices.

Build Air District capacity to work in community.

Understand Community

Gather what we know about community and air quality. Share as community “starter kit”.

Improve what we know.

Share Community Story

Work with community to tell story about community.

Perform root cause analysis to ensure “right” problems addressed.

Support Decision Making

Form and support community decision making partnership.

Develop committee charter and community engagement plan.

Plan Solutions

Set community goals and targets.

Select emission reduction strategies and enforcement measures.

Take Action

Implement emission reduction strategies and enforcement measures.

Evaluate Progress

Track progress on strategies.

Report progress on strategies.

Track and report on progress of entire program.

AGENDA: 7

Discussion on the Development of the Community Advisory Council

Community Equity, Health and Justice Committee Meeting
June 3, 2021

Veronica Eady
Senior Deputy Executive Officer of Policy and Equity
veady@baaqmd.gov

Outcome

Committee input and feedback on the formation of a Community Advisory Council (CAC).

Presentation Outline

- Review of community outreach and engagement efforts to date
- Input and feedback from Board of Directors on next steps

Community Outreach and Engagement

- Community advocates agree:
 - Robust outreach to find applicants/candidates to the CAC is critical;
 - Members should receive stipends; and
 - Clarity on the role of the CAC versus the Board of Directors
- Community advocates have differing views on:
 - Where CAC members should be geographically located;
 - How to form the CAC;
 - Trust in Air District processes; and
 - That the CAC should be governed by the Brown Act

Board of Directors Input/Next Steps

- Community members provided input on considerations for the CAC at the April and May community convenings
- Air District staff seek input from Board of Directors on the formation of the CAC and potential selection of candidates

Board of Directors Proposed CAC

Board of Directors, together with community members, would select one individual from each of the following communities:

Representatives from Impacted Communities

1. West Oakland
2. East Oakland
3. Richmond/North Richmond/San Pablo
4. San Jose
5. East Palo Alto
6. Vallejo
7. East San Francisco
8. East Contra Costa County
9. San Leandro
10. Benicia/Crockett/Rodeo/Martinez (Refinery Corridor)
11. Concord
12. Marin/Sonoma/Napa (North Bay wildfire and woodsmoke impacted communities)
13. Marin/Sonoma/Napa (North Bay wildfire and woodsmoke impacted communities)
