

Tri-Valley Spare the Air Resource Team Extreme Makeover Commute Edition

The Tri-Valley Spare the Air Resource Team is pleased to offer your company a chance to win a commute program makeover!

Why participate?

An employee commute program that promotes alternatives to solo driving, such as carpooling, transit and bicycling, can help attract and retain employees. Help your employees save time and money on their commute while reducing stress and lowering their carbon footprint.

What is included in your Makeover?

- A review of your current employee commute program
- Development of a program or a plan to increase participation in your existing program
- Incentives to encourage participation in your program

Enter your business today!

The Tri-Valley Spare the Air Resource Team will be accepting entries for the Makeover from March 1st through March 31st, 2012.

The Tri-Valley Spare the Air Resource Team

The Tri-Valley Spare the Air Resource Team is part of the Bay Area Air Quality Management District's community outreach efforts. Volunteers come together to develop and implement projects to improve local air quality.

For more information visit www.sparetheair.org.

EXTREME MAKEOVER

COMMUTER EDITION
