Regulation 8 Petitions
Fee Change

This Advisory is provided to inform you about activities of the Air District which may affect your operation. It is intended to help you achieve and maintain compliance with applicable air pollution regulations.

**ATTENTION: OWNERS/OPERATORS OF FACILITIES THAT FILE ANY
PETITION UNDER REGULATION 8**

SUBJECT: PETITION FEE SCHEDULE CHANGE

On June 5, 2024, the Bay Area Air Quality Management District (Air District) Board of Directors approved a new fee schedule that applies to all petition filings subject to any rule under Air District Regulation 8, which aims to limit the emissions of organic pollutants.

Effective July 1, 2024, the new fees apply to all facilities filing a petition under Regulation 8. The updated petition fee regulation (Air District Regulation 3, Section 346) is as follows:

3-346 Request for a Petition, Regulation 8: For any petition required in any rule in Regulation 8, the requestor shall pay the following fees:

- 346.1 A filing fee of \$651; and
- 346.2 An initial fee equivalent to the total actual and reasonable time incurred by District staff at the hourly rate or prorated of \$199 per hour not to exceed the minimum initial fee in Schedule E.

Any petitions received after July 1, 2024, will be subject to the new fee schedule.

Additional information about Regulation 8 petitions and this fee change is available as indicated below:
