**SUBJECT: OPEN BURNING OPERATION FEES INCREASE**

On June 6, 2018, the Bay Area Air Quality Management District (Air District) Board of Directors approved a new fee schedule for all outdoor fires subject to Air District Regulation 5: Open Burning.

**Effective July 1, 2018**, the new fees apply to any entity required to:

- Provide notification to the Air District prior to burning; or
- Submit a petition to conduct a Filmmaking or Public Exhibition fire; or
- Receive an acreage burning allocation to conduct a Stubble Fire; or
- Submit a smoke management plan and receive an acreage burning allocation to conduct a Wildland Vegetation Management Fire (Prescribed Burn) or Marsh Management Fire.

The new open burning fee schedule (Regulation 3, Schedule V), which reflects a 3.1% fee increase is included. Full payment of fees is required prior to burning.
