Compliance Advisory

---

*This Compliance Advisory is provided to inform you about activities of the Air District which may affect your organization's operation. It will assist you in your efforts to achieve and maintain compliance with applicable air pollution rules and regulations.*

**ATTENTION: OWNERS AND OPERATORS OF BULK MATERIAL SITES**

**SUBJECT: VISIBLE EMISSION REQUIREMENTS FOR REGULATED BULK MATERIAL SITES**

On August 1, 2018, the Bay Area Air Quality Management District (Air District) Board of Directors adopted new visible emission and record keeping requirements for regulated bulk material sites in Air District Regulation 6, Rule 1: Particulate Matter.

Effective **July 1, 2019**, regulated bulk material sites will be required to monitor, control, and maintain records of fugitive dust visible emissions from operations and materials stored on site as required by sections 307 and 506 of the regulation.

A copy of the regulation may be obtained from the Air District's website at:
