

PUBLIC WORKSHOPS to update AIR QUALITY COMPLAINT POLICY & PROCEDURES

The Air District is seeking public input about our complaint policy through a series of upcoming workshops. Learn how we investigate air quality complaints and provide comments and suggestions on how to improve the process.

The Air District receives and investigates approximately 10,000 air pollution complaints each year. Complaints alert the Air District of sources of air pollution and allow us to better protect air quality and the health of Bay Area residents. More info at: www.baaqmd.gov/appcomplaints

If you are unable to attend a workshop, there will be a live webcast on December 9 at 4 pm. The video presentation will be archived at www.baaqmd.gov/complaintworkshops.

To submit comments or questions, contact Ying Yu at yyu@baaqmd.gov, or 415-749-5130. Comment deadline is Wed., Feb. 12.

For language interpretation, contact Christine Q. Nguyen at cqnguyen@baaqmd.gov, or 415-749-8751 at least 72 hours before the workshop.
