All proposed revisions are described in the Statement of Basis document.

The EPA comment period ended on April 3, 2020. The District did not receive any comments on the proposed minor revision from EPA or ARB. After this comment period, the Air District made one administrative correction to relabel Table VII-BY as Table VII-CF.

The final revised Major Facility Review Permit can be obtained on the District website at the following address: <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. We will also post the permit to the EPA Central Data Exchange. If you have any questions regarding this proposed permit revision, please contact Dennis Jang, Supervising Air Quality Engineer, by telephone at (415) 749-4707 or email at djang@baaqmd.gov.
