RE: Request to Terminate Title V Permit and All Associated Air Operating Permits – New WinCup Holdings, Inc. – Corte Madera Facility – Plant # 18198

Dear Ms. Bruno:

The New WinCup Holdings, Inc. (WinCup) - Corte Madera facility (Plant # 18198) located at 195 Tamal Vista Blvd, Corte Madera, CA 94925 has ceased all plant operations, dismantled all sources, and permanently shut down the facility. WinCup requests the termination of its Title V operating permit and all associated air quality operating permits. Facility operations ceased on April 22, 2011. Dismantling of all plant manufacturing equipment was completed on May 20, 2011. All permitted sources would require a complete rebuild to operate. As of October 31, 2011, WinCup will be totally vacated from the building facility with the final closure activities being completed.

Attached is the Form FIU for the closure of the New WinCup Holdings, Inc. - Corte Madera facility (Plant # 18198).

If you have any further questions or concerns, please feel free to contact me at your convenience.

Sincerely,

Jim Griffiths
