Dear Mr. Lakin:

This is to advise you that the Bay Area Air Quality Management District is issuing an administrative amendment to the Major Facility Review permit for the following facility.

Facility Number	Application Number	Facility Name	Address	Type of Facility
A7034	29040	TransMontaigne Operating Company L.P. – Martinez Terminal	2801 Waterfront Road Martinez, CA 94553	Marine Terminal

The purpose of this amendment is to transfer the ownership from Plains Products Terminals, LLC to TransMontaigne Operating Company L.P. – Martinez Terminal, change the responsible official from Wm. Dean Gore, Jr. to Dudley Tarlton, and change the facility contact from Jeff Carlton to John-Paul Nepote.

The final permit can be viewed on the BAAQMD website at <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,

Signed by Fred M. Tanaka
