**NOTICE INVITING WRITTEN PUBLIC COMMENTS**

**NOTICE** is hereby given that the Bay Area Air Quality Management District is reopening the Major Facility Review Permit for the following Facility:

<b>Application</b>	<b>Facility #</b>	<b>Facility Name</b>	<b>Address, City</b>	<b>Type of Operation</b>
11696	B2758 &	Tesoro Refining and Marketing Company	150 Solano Way, Martinez	Petroleum Refinery
11696	B2759	Tesoro Refining and Marketing Company	1750 Marina Vista Way, Martinez	Petroleum Refinery

The facility above received its initial Title V permit on December 1, 2003. On October 8, 2004, EPA found that cause existed to reopen the permit to address specific deficiencies. On December 15, 2004 the facility was given notice that the permit would be reopened to add monitoring to demonstrate compliance with thermal oxidizer destruction efficiency requirements. The proposed permit changes have no effect on emissions. All changes are clearly shown in "strikeout/underline format" and have been addressed in the permit evaluation/statement of basis. All comments must be received by March 15, 2005. The public may also request a public hearing for this reopening of the permit.

Reopenings of Major Facility Review Permits are also subject to review and approval by US EPA. If US EPA has not objected to a proposed permit and the District has not addressed a public comment in a satisfactory manner, the public may petition US EPA, Region IX, Operating Permits Section at 75 Hawthorne Street, San Francisco, CA 94105, within 60 days after the end of US EPA's review, to reconsider the decision to not object to the permit. The beginning and end of EPA's review period can be found on EPA Region IX's website at: <http://www.epa.gov/region09/air/permit/index.html>.

The proposed Major Facility Review permit and permit evaluation/statement of basis are available for public inspection by appointment at the District Headquarters, 939 Ellis Street, San Francisco, CA.

For an appointment, please call May Leung at (415) 749-4729. The permit and permit evaluation/statement of basis are also available on the District's webpage at the following address: [http://www.baaqmd.gov/pmt/title\\_v/public\\_notices.asp](http://www.baaqmd.gov/pmt/title_v/public_notices.asp).
