

# Public Workshop: CEQA Guidelines Update

---

## We seek your input!

The Bay Area Air Quality Management District (Air District) is updating its CEQA Guidelines and thresholds of significance and is seeking your input.

Please join us at an upcoming **workshop\*** to:

- Learn more about the update to the 2010 CEQA Guidelines.
- Provide early input and recommendations on potential methodologies for CEQA air quality and greenhouse gas significance thresholds for the Bay Area.

**When:** Thursday, September 7<sup>th</sup>, 2017  
10:00 am – 12:00 pm

**Where:** Bay Area Metro Center, Yerba Buena Room  
375 Beale Street, San Francisco

**\*Can't make it to the meeting? This workshop will also be webcast!** Watch the webcast live and provide your input and comments during the presentation, or watch the webcast later and email us with your input.

## The CEQA Guidelines update will address the following:

- Review Air District significance thresholds and update, as appropriate.
- Provide guidance to lead agencies, consultants, and stakeholders in evaluating air quality and greenhouse gas impacts and assessing mitigation measures for proposed projects and plans in the Bay Area.
