See reverse side for further details.

ELIGIBILITY

- Vehicles meeting minimum Bay Area and local operation requirements for the past 2 years
- All fleets must be in compliance with the CARB Off-Road Regulation or exempt agricultural equipment
- Until 12/31/19, large fleets have a final chance to apply for diesel replacement funding or zero-emission equipment if applying a second time
- Infrastructure to install battery charging or alternative fuel infrastructure as part of an off-road project
- For a complete list of requirements: www.baaqmd.gov/offroad

ELIGIBLE EQUIPMENT*

Old Off-Road Equipment

- Powered by 25 hp or greater engine
- Tier 0, Tier 1, Tier 2, or Tier 3 engine
- Examples of eligible equipment operations include: construction, industrial, cargo-handling, airport ground support, agriculture, etc.

New or Used Off-Road Equipment

- Performs same work as old equipment
- Engine meets cleanest emission standard
- Engine horsepower rating within 125% of old equipment

**Industrial equipment also eligible. Engine repower and retrofit funding opportunities are also available.*
